ABOUT COMPANY

- Around Land was established in 2021 ,with a vision to assist the clients in achieving it goals of service delivery.
- The core of our business is the construction of both buildings and infrastructure projects. We are well equipped to handle the smallest to the largest projects. As a multiple trade Construction Company we pride ourselves on our ability to work smoothly with clients, principle contractors and subcontractors to meet construction and design requirements.
- Whilst leading the way in collaborative alliances, we value working closely with clients, contractors and local community to achieve mutual benefit. With an intimate knowledge and extensive experience in building projects we enjoy working on environmentally sustainable developments and are committed to maximizing value to our clients.
